Easy to Load

Easy to Label

Kraft Paper PACKBAGS are a cost-effective and environmentally friendly alternative to standard polythene type bags.

These paper bags are appropriate for shipping and containing non-fragile items such as parts, clothing, accessories, stationery and gifts. They are designed to fit closely around products, securing them for safe transit without the need for bubblewrap or packing paper. With a lip and self seal and bottom gusset.

Great for:

- Keeping products clean and dry in transit
- Mailing products to customer
- Containing parts within a product carton/package
- Packing multiples of a part into bag

Great option to other bags which contain plastics:

- Jiffy Bags
- Self Seal Opaque Polythene Mailing Bags
- Grip Seal Polythene Bags
- Clear Polythene Bags

SKU	Dimensions	Pack QTY	Price Per Pack From
F7300	180×270+60mm	250	£15.93
