PaperPAL®

Sustainable Paper & 100% Recyclable

Manual Voidfill System

Easy to Use & Low Cost

Recycled Paper Voidfill

360 Metre Roll x 375mm

Space Saver & Compact

Ideal for Smaller Businesses

Quick to Set Up

The **PaperPAL® VoidFill System** is designed to be a compact, easy-to-use, low-cost VoidFill solution for manufacturers, small businesses, eCommerce or even at home.

Using environmentally friendly paper, the PaperPAL® VoidFill dispenser box has a tear-off section at the front, allowing for easy dispensing of the paper VoidFill. Simply pull, tear, wrap, fill and pack.

Great for:
· Fast and environmentally friendly paper Voidfill
· Cost-effective
· Easily moved around packing areas and warehouses
· Compact so requires little storage space
· Can be set up quickly on new packing benches to increase capacity
· 100% recycled & 100% recyclable paper

Great option to other plastic cushioning and voidfill:
· Foam & Bubblewrap Rolls
· Styrene Packing Pads
· Polystyrene Loosefill
· Polythene Airbags
