

# Packaging Partner for Sustainable Essentials.

Protecting Your Production.

## Brand Promise

### Fast Response

Our aim is to respond within 15 minutes to orders, enquiries, and questions.

### Sustainability

Lead the journey to more sustainable packaging.

### Same Day Despatch

Reliable same day despatch on orders placed up until 3:30pm each day.

### Onsite Support

First to site with solutions.

### Peace of Mind

Quality products guaranteed.

## Leading Change

Since 1996 we have innovated with key packaging products to reduce the impact they have on the environment. The cost to the consumer and cost to the environment is a major factor when we are developing new products. The result, is packaging that helps the world's leading companies improve their environmental, ethical and social impact.

---

### Research & Development

Spherical approach to the needs of the customer, journey of the product and the sustainability of the material.

---

### Sustainability

In every business sector we need to integrate sustainability into our strategy. We have to act.

---

### Support

Change is a challenge. It requires knowledge and experience to make it happen. We promise to support.

## Pallet Wrap & Containment

### SR80 Pallet Wrap Dispenser

This heavy-duty pallet wrap dispenser has been designed with maximum efficiency in mind. The SR80 is suitable for use with both 400 and 500mm rolls and has a twist grip handle which allows you to adjust the tension of the film whilst wrapping.

Twist grip handle | Reduced wrapping effort | Reduced injury risks

SKU	Information	Pack Qty	Price
W0160	Suitable for 400 - 500mm pallet wrap	1	£16.54

### Pallet Wrap Dispenser Heavy Duty

Ergonomically designed manual stretch film dispenser, made for ease and efficiency with a sturdy D-shaped frame and stabilising base. Lightweight at just 1.7 kg and compatible with a variety of vortex cast or blown pallet wrap films, it's the perfect tool for streamlined warehouse operations.

Heavy duty | Reduced wrapping effort | Reduced injury risks

SKU	Information	Pack Qty	Price
W7108	Heavy duty, suitable for 400 - 500mm pallet wrap	1	£62.07

## Ergonomic Pallet Wrap Stick Dispenser

Ergonomic Pallet Wrap dispenser with built in tensioning function designed to reduce operator fatigue and provide a consistent secure wrap to your palletised goods. The strongest, lightest stick dispenser at just 1.4kg in weight reduces back strain and makes wrapping easy!

Lightweight aluminium | High strength | Ergonomic design reduces back strain

SKU	Colour	Information	Pack Qty	Price
W7133	Silver & Yellow	Suitable for 400 - 500mm pallet wrap	1	£105.49

## 2" Core Handy Pallet Wrap Wrapper

The Handy Pallet Wrap Wrapper is a must-have for any warehouse or shipping facility. This compact and portable device is an excellent tool for quickly and easily wrapping pallets with stretch film, ensuring a secure and stable load for transportation or storage.

Compact and portable | Enables quick and efficient wrapping | User-friendly | Built-in brake for tension regulation | Simplifies the packaging process

SKU	Colour	Information	Pack Qty	Price
W7150	Blue	2" core, hand wrapper insert with brake function	1	£7.51

## 2" Core Film Hand Saver

The 2" Core Film Hand Saver is an essential accessory for those who frequently use stretch wrap film to package and secure items. This useful device fits snugly over the cardboard core of the film, providing a comfortable grip and preventing the film from slipping or causing cuts to your hands during use.

Prevents slip during use | Reduces hand fatigue and strain | Compact design for easy storage and transport

SKU	Colour	Information	Pack Qty	Price
W7151	Green	2" core film, adapter for hand pallet wrap	2	£2.28

## PowerStretch™ Ergo Pallet Wrap Dispenser

PowerStretch™ ergonomic pallet wrap dispenser for 50mm core pallet wrap between 400mm and 500mm roll width. Lightweight aluminium frame for easy pallet wrapping, reducing strain and injury. The rugged stand means that the wrap is always ready to be picked up easily to start a new pallet and prevents the pallet wrap roll from damage in a busy warehouse environment.

Lightweight | Reduces strain and injury | Sturdy upright stand | Prevents wrap damage

SKU	Colour	Information	Pack Qty	Price
W8206	Silver & Black	Lightweight aluminium frame	1	£79.87

# NANOSTRETCH™

## Cuts plastic waste, reduces cost and improves stability.

NanoStretch™ is high-performance, thin, machine pallet wrap that uses high technology polymers, produced at lower temperatures to achieve greater holding force and puncture resistance.

- ✓ Reduces plastic waste by up to 60%
- ✓ Increased load stability
- ✓ Cuts wrapping costs by up to 50%
- ✓ Consistent stretch performance

X7625	Standard 1650mm turntable	1	£340.00

## Pallet Wrap & Containment

### Robopac Masterplat PGS 250% LP

The Masterplat PGS 250% LP is a turntable wrapping machine for wrapping pallets with power pre-stretch machine film to reduce plastic film usage and wrapping costs. The 250% fix pre-stretch PGS film carriage will stretch the film from 1m up to 3.5m producing a very securely wrapped pallet at minimum cost and impact on the environment.

Reduces plastic by up to 50% | Multiple cycle memory | Low profile

Service, Repairs & Rental Available

SKU	Information	Pack Qty	Price
X7640	1650mm low profile 30mm turntable	1	£6,595.00
X7641	270 degree, low profile, 1650mm turntable	1	£585.00

### Ramp to suit Masterplat Low Profile

Ramp to suit the Masterplat LP pallet wrapping machine that has a 30mm low profile turntable. Due to the very low turntable height the ramp doesn't need to be so long reducing the space needed for the machine and ramp.

Short ramp for low profile turntable uses less space | Can be fixed to the ground | Great for loading unstable pallets for wrapping

Service, Repairs & Rental Available

SKU	Information	Pack Qty	Price
X7565	Single low profile, 1650mm turntable	1	£195.00

## Pallet Wrap & Containment

### Weighing Scales for Robopac Machine

These weighing scales are designed to be used in conjunction with Robopac wrapping machines. The scales can have a maximum capacity of 2000kg and can be attached to a personal computer or printer.

Clear and easy to read display | Can be retrofitted to existing stretch wrapping machines | Simple to install, easy to handle

Service, Repairs & Rental Available

SKU	Information	Pack Qty	Price
X7601	Weighing Scales for Robopac Machine	1	£2,050.00

### Robopac - Rotoplat 708 PVS

Rotoplat 708 PVS is a powerful wrapping machine by Robopac that will stretch up to 400%. The wrapping machine is equipped with a wrapping unit PVS-motorised pre-stretching system with two independent engines and two cylinders that rotate at different speeds.

Stretches up to 400% | 12 wrapping programs | Adjustable stretch 150% - 400% | Controlled load force

Service, Repairs & Rental Available

SKU	Information	Pack Qty	Price
X7518	1650mm turntable / 2.2m mast, pallet stretch wrapper	1	£7,895.00
X7625	Standard 1650mm turntable	1	£340.00

## Pallet Wrap & Containment

### Robopac Robot Master M80 FRD (Entry Level)

Robopac is now introducing a new range of entry level self-propelled wrapping machines, the Robot Master. This robot pallet wrapping machine will wrap any size of pallet with clever sensors that follow the shape of the pallet. It can be used to wrap the load anywhere on your site meaning you don't have to move unsecured loads to a wrapping table.

Clever sensors follow the shape of the pallet | Agile and compact | Smaller footprint

 Service, Repairs & Rental Available

SKU	Information	Pack Qty	Price
X7702	High performance auto pallet wrapping	1	£5,045.00

### Robopac Robot S7 PVS Wrapping Machine

Robopac presents a new range of self-propelled packaging machines, Robot S7. The machine is provided with a high level of packaging autonomy and great work flexibility and built to wrap and stabilise palletised loads of any shape, size and weight, using stretch film.

Brushless motors and new performing carriages | Instant load system, easy and immediate film insertion | E-saving the lowest energy consumption on the market

 Service, Repairs & Rental Available

SKU	Information	Pack Qty	Price
X7703	This machine offers a variable powered stretch from 0% to 500%, 240V, touch screen, 12 programs	1	£9,195.00

## Pallet Wrap & Containment

### Xtenser Sth Manual Mobile Wrapping Machine

Designed to make the wrapping process quick and simple. It consists of a friction roller carriage that allows the user to adjust the tension of the film to the specification of a pallet load. It can be used on any sized pallet or object that needs protecting with stretch wrap.

Easy to use | Portable | Simple film loading | Strong and sturdy

SKU	Information	Pack Qty	Price
X8196	Manual Mobile Stretchwrap Machine, portable, simple film loading	1	£1,750.00

**PD40 Mobile Strap Dispenser for Plastic Reel**

This strap dispenser works with polypropylene mounted on reels. The two sturdy wheels make the dispenser easy to move around and it comes with a mounted plastic tool box to ensure seals and tools are always at hand.

Speeds up the strapping process | Portable for use around large work spaces | Helps to promote an organised work space

SKU	Information	Pack Qty	Price
W0220	ABS tool tray, feed brake & tough wheels	1	£88.30

**PaperStrap™ Mobile Dispenser**

PaperStrap™ Mobile Dispenser is on a 200x190mm cardboard core. Two sturdy wheels make the dispenser easy to move around and it comes with a mounted ABS plastic tool box that fits the tools required to tension and seal the strapping. It features a clever brake which releases the strap when it is being pulled off the roll but applies the brake when the strap is no longer being pulled and stops the roll from spinning freely and dispensing more strap than is required.

Orange for high visibility | Tough wheels | Sturdy ABS Plastic tray for tools | Strap guide brake

### Phosphated Strapping Buckles

These metal buckles are made from phosphated hard steel, they are designed to work with woven polyester strapping. Simply place the seal over the overlapping strap ends and close with a strapping seal or combination tool.

**Easily slide through strapping for quick and efficient sealing | Rust resistant**

SKU	Size	Information	Pack Qty	Price
C0120	13mm	For Woven Polyester Strapping	1000	£48.55
C0130	16mm	For Woven Polyester Strapping	1000	£56.90
C0140	19mm	For Woven Polyester Strapping	1000	£88.90

## Strapping & Load Security

### Mobile Dispenser For Woven Strap

This strap dispenser works with polyester (PET) narrow strapping. The two sturdy wheels make the dispenser easy to move around and it comes with a mounted plastic tool box to ensure seals and tools are always at hand.

Speeds up the strapping process | Portable for use around large work spaces | Helps to promote an organised work space

SKU	Colour	Information	Pack Qty	Price
W0230	Red	ABS tool tray & tough wheels	1	£99.40

### Pallet Probe

Provides a safe, simple yet innovative solution to strapping pallets. By attaching your strapping to the pallet probe and feeding it underneath a pallet you can secure your pallet quicker, more safely and without losing or tangling your strapping.

Fast, simple operation | Easy to use | Reusable | Innovative design | Reduces risk of injuries

SKU	Weight	Information	Pack Qty	Price
X7159	1.0 kg	Suitable for Polyester, Polypropylene and Steel Strapping up to 19mm wide	1	£7.12

## Strapping & Load Security

### PP Machine Strapping

Plastic machine strapping is ideal for securing bundles, parcels, cardboard boxes, pallets and more. The strapping can be used in many different types of strapping machines that fit the 200 x 190 core size.

Long rolls reduces the need for frequent roll changes | Ideal for larger packing operations

### TP-702-5-9 Automatic Strapping Machine

The TP-702-5-9 delivers exceptional performance with its high-speed automation and reliability. Suitable for a range of packaging lines, this machine offers consistent strap placement and tension, enhancing production efficiency.

Automatic strap feeding | High-speed operation | Consistent tension control | Adjustable strap guides | Easy maintenance

 Service, Repairs & Rental Available

SKU	Size	Information	Pack Qty	Price
X0023	For 5mm - 9mm machine strap, 850x600 arch	Photo eye switch	1	£5,995.00

## Strapping & Load Security

### TP-702-12 Automatic Strapping Machine

The TP702-12 is an innovative world-class high speed automatic strapping machine. It is suitable for 5mm, 6mm, 9mm, or 12mm PP strapping. Equipping with all industry's standard features and creative user friendly designs, Mercury TP-702 offers the most optimal performance, highest speed, easiest maintenance, and the most cost effective solution in its class.

High speed up to 65 straps per minute | Auto strap ejector | Waist-high auto strap feeding

Service, Repairs & Rental Available

SKU	Size	Information	Pack Qty	Price
X0024	For 5mm, 6mm, 9mm or 12mm machine strap, 850 x 600 arch	Photo eye switch	1	£5,995.00

### TP-702-12 Automatic PaperStrap™ Machine

Designed for environmentally conscious operations, the TP-702-12 uses PaperStrap™, providing a sustainable alternative to traditional strapping methods. It's perfect for industries looking to reduce their plastic usage without compromising on strength.

Eco-friendly design | Paper strap compatibility | Robust performance

Service, Repairs & Rental Available

SKU	Size	Information	Pack Qty	Price
X0025	For 12mm PaperStrap™ strap, 850 x 600 arch	Photo eye switch	1	£6,495.00

## Strapping & Load Security

### Semi-Automatic Strapping Machine

Simply feed the strapping around the package and the machine automatically tensions and heat seals the strap. This strapping machine accepts 6mm, 9mm and 12mm paper strap and polypropylene machine strapping on a 200mm or 280mm core.

Automatic tensioning and sealing | Fixed/swivel castors | Reliable control head | External manual strap tension adjustment

Service, Repairs & Rental Available

SKU	Information	Pack Qty	Price
X0010	Closed cabinet 6mm, 9mm, and 12mm strapping	1	£895.00

### TRS600-12L Auto Strapping Machine

The Optimax branded TRS600-L has the same benefits as the TRS600, but comes with a larger arch size 1050x800mm (as opposed to standard arch size 850x600mm). This automatic strapping machine is designed for strapping high volumes of cartons and packages.

Large arch size for big products | Straps 27 parcels per minute | 12 months warranty

Service, Repairs & Rental Available

SKU	Information	Pack Qty	Price
X7700	For 12mm strap, 1050x800mm arch	1	£6,409.00

## TP-602MV Pallet Strapping Machine

TP-602MV Magic II Semi-Auto Pallet Strapping Machine with Retractable Sword.

### Plastic Edge Protectors

Edge protectors are designed to sit underneath strapping on pallets and cartons. They help prevent tears, bends and creasing to goods that can be caused by strapping. These edge protectors are small in size and come in packs of 2000.

Reusable | Extra protection during transit | Low cost and reliable | Robust and simple to use

## Returns

If you have received damaged or defective products, we apologise in advance and ask you to please call us within 48 hours of receipt of delivery on 01743 242 900 to discuss.

### Standard No-Fault Returns

Goods can only be returned up to 14 working days starting the day after delivery. Products are returned at your own cost, unused and undamaged in their original packaging. The goods remain your responsibility until the goods have been received on Maxpack's premises.

For returns to be processed and refunded, you need to request a returns note and clearly attach the resulting form to the outside of the goods. Goods must be returned in full pack quantities. We cannot offer any refunds on partial packs. Refunds don't include delivery charges. Maxpack will endeavour to process all returns within 3 working days of receipt of the return.

Maxpack standard conditions of sale are accessible using the following link: [www.maxpack.co.uk/terms-conditions/](http://www.maxpack.co.uk/terms-conditions/)

### Packaging Partner for Sustainable Essentials
